

3dASAP Feather Flag Assembly Instructions

- 1. Assemble Base Stand** - Open up the bag and remove the feather flag base / stand. Open up to form a cross and set aside.
- 2. Assemble Shaft** - Remove the supporting pole pieces and insert end-to-end from largest to smallest.
- 3. Insert Shaft Into Flag Sleeve (black)**- Insert the shaft all the way to end of the sleeve.
- 4. Insert Bottom of Shaft into Base Stand** - Slide the bottom of the banner shaft into the base stand.
- 5. Tie Down Feather Flag Banner** - Feed the included elastic string through the grommet at the base of the black flag sleeve, then through the guide mounted on the shaft, and finally through the guide attached to the base stand. Tie to secure.

Enjoy 😊
